

August Children & Youth Bulletin

Hello Children & Youth Chairman. This year Children & Youth Chairman will be known as the Department of Children Services under Department President Glenda's theme.

Our purpose is generally the same as that of The American Legion, with additions of our own. Our principle is to preserve the integrity of the family home; and to maintain a 'whole' child program regarding all needs of children- physical, spiritual, emotional, and educational.

Please keep in mind the youth hero and good deed awards. These awards are a great way to recognize not only junior members, SAL youth members, but also children in the community. Watch out on social media and your local news to acknowledge these types of amazing youth in our community.

April is Children & Youth month so start planning activities to celebrate. We will be introducing a big activity at Clovis to be shared with every district- more fun to come. If you need anything feel free to reach out. I look forward to working with everyone.
