### **“We Don’t Do Complaints”**

**Hello all you devoted Californians! Governor Shultz and her staff are busy with State business. We at the Dept. of Consumer Affairs are open and ready to assist you with all your consumer needs. We are dedicated to and can take care of all your questions concerning our department. Our office is as busy as ever. Bring in your gift basket, certificate, or service coupon and have your name placed on our patronage list. All consumers using this service will be given a coupon (ticket) and your name will be placed in a special drawing to take place at the end of our fiscal year. No worries, you need not be present to win. This year we are sponsoring our great Governor with a raffle for her special project, suicide prevention. As we speak, Colleen Freeman, one of our consumers from the city of Ripon in County 11 is lovingly crafting a beautiful poppy quilt. This quilt will be on display at our office at both DEC in January and our Annual Convention in June of 2024. Pre-sale tickets are available at our office for just \$10 each. Soon we will be able to post a picture of this amazing quilt. Don't miss**

out on this special sale. Another service we offer is the Governor's Club, formally the Presidents Club. For just \$25, you can become a member of this exclusive club. You will receive a charm and membership card to impress all your friends. Join in on California Fun Facts. Test your knowledge of our Great State. Watch for games such as Star Darts and Patriotic Cornhole. Other services we offer include "The Price is Right" and "Let's make a deal". For only \$5 you can test your skill of numbers and chance. The Dept. of Consumer Affairs is an equal opportunity business that welcomes all consumers to participate in and contribute to the American Legion Auxiliary and their sister family members with the Legionnaires, Riders, and SONS. All questions can be sent to me, Arlene L Smith, Director for the Dept. of Consumer Affairs. See you at our next event! Our office is always open.
