

**AMERICAN LEGION AUXILIARY
DEPT. OF CA
COMMUNITY SERVICE
October 2023 Bulletin**

As Auxiliary members part of our mission is to make our communities a better place to live and since we have 30 District through-out this Golden State of California what better way to keep connected, share our ideas, keep each other informed and updated, is through Zoom meetings. It is a known fact that virtual meetings provide an opportunity for increased productivity. I'm in the process of preparing Community Service Zoom meetings for District Community Service Chairman.

Let's continue to bring awareness to our communities of who we are, what we do and why we matter. Let's get involved in our community events and let's begin to prepare for Veterans Day in November. In my Unit, each year we participate in the Veterans Day parade, does your Unit?

Please do your best to attend your local City Council meetings for the betterment of being United as One within our Communities.
