United As One
Bulletin #5 - November 2023

What more valuable than **Gold**? That is right, our members. **YOU!**
November is membership month.

GOLDEN NUGGETS:

- Are you calling your members who have not renewed? They need to hear from you.
- Our first goal is November 11, Veterans Day, transmittal due to ALAMIS by November 13. **“Eureka”** will you hit the mother lode with 100%?
- Do you have your picks, shovels, and gold pans out? Go for the **GOLD!**
- December 7th is Pearl Harbor Day. National will be giving out a 75% reward to Departments reaching 75%. Let us see how many units can make 75% by Pearl Harbor Day.
- Mid-Year reports are out and on the webpage. They are due to your District Chairman by December 1, 2023.
- **YES**, you can transmit new members online. There is a lag time between their information being processed, and the time you pay. They are creating a new membership number. This takes about 15 minutes.
- So, November is a busy month, with Veterans Day, Thanksgiving, Christmas shopping and starting your mid-year reports. Pace yourself. December 1st is right around the corner.
- Please check the webpage for the weekly membership reports.
