Salute and Abundant Blessings Archive Officials!

For the month of March, the focus is COMMUNITY SERVICE.

How are your Units and Districts serving communities in California? A way to start is by attending city council meetings and becoming familiar with events and activities. Then find a need in a community that resonates with your passion. Adopt a local law enforcement agency, fire department, school, classroom, nursing facility, park and recreation, serve on a polling location for voting, participate in a local spring-cleaning events, become CPR certified and become an instructor, volunteer in libraries, museums, local hospitals, senior homes or senior centers. Host events and activities for youth. Spearhead a yard clean up, meal train or fundraise for someone in need. Donate duffel bags with clothing, toiletries, toys, books, bibles, beanies, socks, shoes, sweaters to agencies for children in foster care. You can even become a foster parent. To whom and how are you being a blessing? The sky is the limit. Every minute counts, and someone is doing better because of every minute *you* volunteer. Share all you do with this Archive Official, The Department of California would love to hear all about it!
