United As One
Bulletin #11
May

WE will never forget!

As we enter the month of May commemorating both Poppy Month and Memorial Day, it is a time to reflect on our country and those who made the ultimate sacrifice for us and our freedom.

This is a time to remember your “**Why**”. Why did **you** join the American Legion Auxiliary? I can only imagine it was to honor a veteran in your life.

Golden Nugget: thoughts on how to get members to renew:

- I know many of you will be out in the community handing out poppy’s this month. “*Asking* “will you wear a poppy to honor our veteran so they will never be forgotten.” *Ask* them “if they have a veteran in their lives.” If yes *ask* them “have you ever thought about joining a veteran’s support organization.” Remember all you must do is *ask*. **ASK.**
- Send them a letter with a poppy.
- Do you have venues where you are handing out poppy’s? **Invite** them participate.
- Are you have memorial service to honor our fallen? We go to a local cemetery every year and put flags on veteran’s graves, say their name and say “you will never be forgotten.”
- Invite your community partners to participate.

Remember all you must do is ASK.

Do not forget

- End of Year reports are due to the Department May 1, 2024.
- Make your reservations for convention.
- Send in your membership data form. (was due April 30, 2024)

- Send in your delegate and alternate forms.
- Check to make sure all your obligation for your Unit have been met so you can be seated at convention.

We Western Division is still at #1! California moved up to 10th place nationally. We still need over 1,000 members to reach goal. I know we can do this.

Remembers all you All we need to do is.....ASK.

We have extended the date for adding members to June 19, 2024.

See you at The Convention.
